

Globalisierung: mächtig, gewaltig.

A film night

number six:

The Neoliberal Globalization

Every other Tuesday we arrange film nights in the Projekt 7 about globalization and its consequences on our lives. We hope that this kicks off a broader discussion based on backgrounds and leads to a more conscious life.

“The Fourth World War”
(76min, English and Spanish)

Tuesday, 18. January 2005

8:00 PM at Projekt 7

Admission free!
